

## 4<sup>th</sup> PEDIATRIC OTORHINOLARYNGOLOGY CONFERENCE 2021

### PROGRAMME ONLINE

**12 March 2021**

**Session 1**  
***The European Society  
of Pediatric  
Otorhinolaryngology  
(ESPO) \****

**Moderators:**  
***Dilyana Vicheva, Sergei Karpischenko\****

14:00 - 14:30

***Opening ceremony***

14:30 - 15:00

**Martin Bailey\* - UK**

The evolution of treatment for pediatric laryngotracheal stenosis

15:00 - 15:20

**Raymond Clarke\* - UK**

Head and Neck Infections in Children

15:20 - 15:40

**Ann Hermansson\* - Sweden**

Why are some children otitis-prone?

15:40 - 16:00

**Richard Nicollas\* - France**

Pediatric airway: once endoscopy, always endoscopy?

**Session 2**  
***Bulgarian experience in  
pediatric ENT diseases***

**Moderators:**  
***Alexander Valkov, Ivan Litvinenko,***

16:30 - 16:45

**Rumen Benchev**

***(Alpen pharma - golden sponsor)***

Non-interventional Bulgarian study on the therapeutic efficacy and safety of Cinnabsin in the treatment of acute or exacerbated chronic rhinosinusitis

- 16:45 - 17:00 **Petar Rouev**  
Cholesteatoma of the middle ear in child  
hood - a critical vision
- 17:00 - 17:15 **Doncho Donchev**  
Challenges, when working with cochlear  
implanted infants
- 17:15 - 17:30 **Miglena Georgieva**  
Mesenteric lymphadenitis and ENT diseases
- 17:30 - 17:45 **Ivan Delchev**  
Covid-19 associated multi systemic inflam-  
matory syndrome in children in ORL practice
- 17:45 - 18:00 **Hristo Zlatanov, Teodora Dimitrova,  
Anastasia Korkova**  
Contemporary surgical techniques in pedi-  
atric otorhinolaryngology - difficulties, innova-  
tions and advantages
- 18:00 - 18:10 **Dilyana Vicheva**  
(Pharmaceutical presentation - Nobel)  
Profix and Desybel in pediatric ORL diseases

**Invited lecture:**  
**The InterAmerican**  
**Pediatric**  
**Otorhinolaryngology (IAPO)\***

- 18:15 - 18:45 **Moderators:**  
**Martin Desrosiers, Tomislav Baudoin,  
Doncho Donchev**
- Tania Sih - Brazil \***  
Periodic fever Adenitis-cervical Pharyngitis  
Aphthous stomatitis

**13 March 2021**

**Session 3**  
**OSAS in children**

- Moderators: Stefan Kostyanev, Svetla  
Vassileva**
- 08:30 - 08:45 **Tonio Shmilev, K.Ketev, Kiril Terziiski**  
Once again about obstructive sleep apnea  
in childhood
- 08:45 - 09:00 **Dilyana Vicheva**  
Children and snoring

**Session 4**  
***New horizons  
in pediatric ORL\****

09:00 - 09:15

**Moderators:**  
***Miglena Georgieva, Valentin Stoyanov***

**Mahzuna Nasretdinova\*** - Uzbekistan  
Diagnostics and rehabilitation of vestibular function in children with kinetosis

09:15 - 09:30

**Alena Merkulova, Konstantin Ustinovich\*** - Belarus

Sedation practices for audiological examination in children before 3 months of age

09:30 - 09:45

**Dmitry Zobolotni, Diana Zobolotna, E. Ismagilov\*** - Ukraine

Endoscopic removal of juvenile nasopharyngeal angiofibroma

09:45 - 10:00

**Marianna Zavallii, Aleksey Orel\*** - Crime

Role of tissue enzymes in regeneration of ciliated epithelium of the nasal cavity after surgical interventions

10:00 - 10:15

**Yury Rusetsky\*** - Russia

Silent Sinus syndrome in children

10:15 - 10:30

**Penka Perenovska**

*(Alpen pharma - golden sponsor)*

Treatment and prevention of acute respiratory virus infections in the pandemic environment - features and highlights in childhood

**Invited lecture:**  
***The Australian and New Zealand Society of Paediatric Otorhinolaryngology (ANZSPO)\****

10:30 - 11:00

**Moderators:**  
***Rumen Benchev, Ann Hermanson\****

**Alan Cheng - Australia\***

Cognitive improvements after tonsillectomy for OSA in preschool children

**Session 5**  
**Immunity in ORL**  
**diseases \***

11:30 - 11:45

**Moderators:**

**Marianna Murdjeva, Alan Cheng \***

**Marianna Murdjeva\***

Primary immune deficiencies in children  
main clinical ENT manifestations and diag-  
nostic immunological approach

11:45 - 12:00

**Alessandro Bucci\* - Italy**

Review of probiotic use in Otolaryngology

12:00 - 12:15

**Dimce Markovski\* - Republic of North  
Macedonia**

Recurrence of Adenoid Hypertrophy after  
Adenoidectomy

12:15 - 12:35

**Assen Kutsarov, Sava Ognyanov**

(Pharmaceutical presentation - Polpharma)  
About the benefits of symptomatic therapy  
in treatment in ENT infections in childhood

**Invited lecture:**  
**The European**  
**Laryngological**  
**Society (ELS)\***

12:35 - 13:05

**Moderators:**

**Dimitar Pazardzhikliev, Assen Koitshev \***

**Christian Sittel\* - Germany**

Open reconstruction of the pediatric airway

**Session 6**  
**Pediatric Otology**  
**and Laryngology \***

14:00 - 14:30

**Moderators:**

**Ventzislav Tzvetkov, Nikolay Sapundzhiev \***

**Assen Koitshev - Germany**

Laryngeal obstruction in children in the first  
months after birth

14:30 - 14:45

**Tomislav Baudoin\* - Croatia**

Systematic Approach to Laryngotracheal  
Stenosis in Children

14:45 - 15:00

**Gheorghe Iovanescu\* - Romania**

Thyroglossal duct cyst - Practical Considerations

15:00 - 15:15

**Onur Celik\*** - Turkey

Pediatric Stapes Surgery

15:15 - 15:30

**Giuseppe Frau\*** - Italy

Pediatric cochlear implantation - old and new frontiers

**Invited lecture:**

***The American Pediatric  
ORL Society (ASPO) \****

***Moderators: Martin Bailey,  
Hassan Ramadan, Toma Avramov \****

15:30 - 16:00

***Reza Rahbar\**** - USA

Fetal/EXIT procedure for management of airway and head and neck masses

**Session 7**

***Pediatric Rhinology\****

***Moderators: Karen Dzhabazov,  
Dilyana Vicheva, Hristo Zlatanov \****

16:30 - 16:45

**Sergei Karpischenko\*** - Russia

Pediatric frontal sinus surgery

16:45 - 17:00

**Hassan Ramadan\*** - USA

Update on surgical treatment for Pediatric CRS

17:00 - 17:30

**Martin Desrosiers\*** - Canada

Age-based endotyping: "Cradle to Grave" approach to management of rhinosinusitis

**Session 8**

***Varia\****

***Moderators: Ilian Doykov, Ivan  
Madzharov***

17:30 - 17:40

**Burak Ulkumen\*** - Turkey

Are tympanostomy tubes really effective on hearing?

17:40 - 17:50

**Valentin Stoyanov, Atanas Vlaykov**

Orbital complications of rhinogenic origin in childhood

17:50 - 18:00	<b>Dilyana Vicheva</b> (Pharmaceutical presentation - Magnapharm) Stop the sore throat
18:00 - 18:10	<b>Stefan Mirchev</b> Simulated 3D model of the middle ear for theoretical and practical training for students, post-graduate ENT diseases students and beginning otosurgeons
18:10 - 19:00	<b>Lyubomir Kirov</b> Burnout syndrome: Hell is other people

### ***Closing Ceremony***

**\* The lecture will be in Russian or English with simultaneous translation in Bulgarian**
